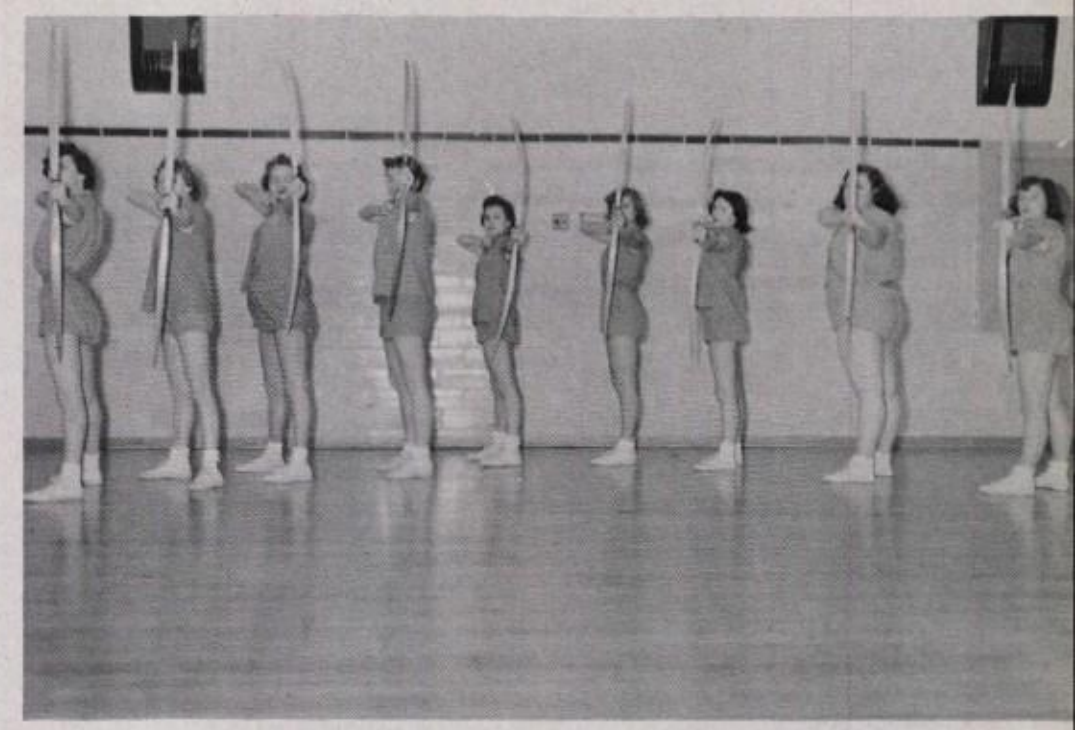
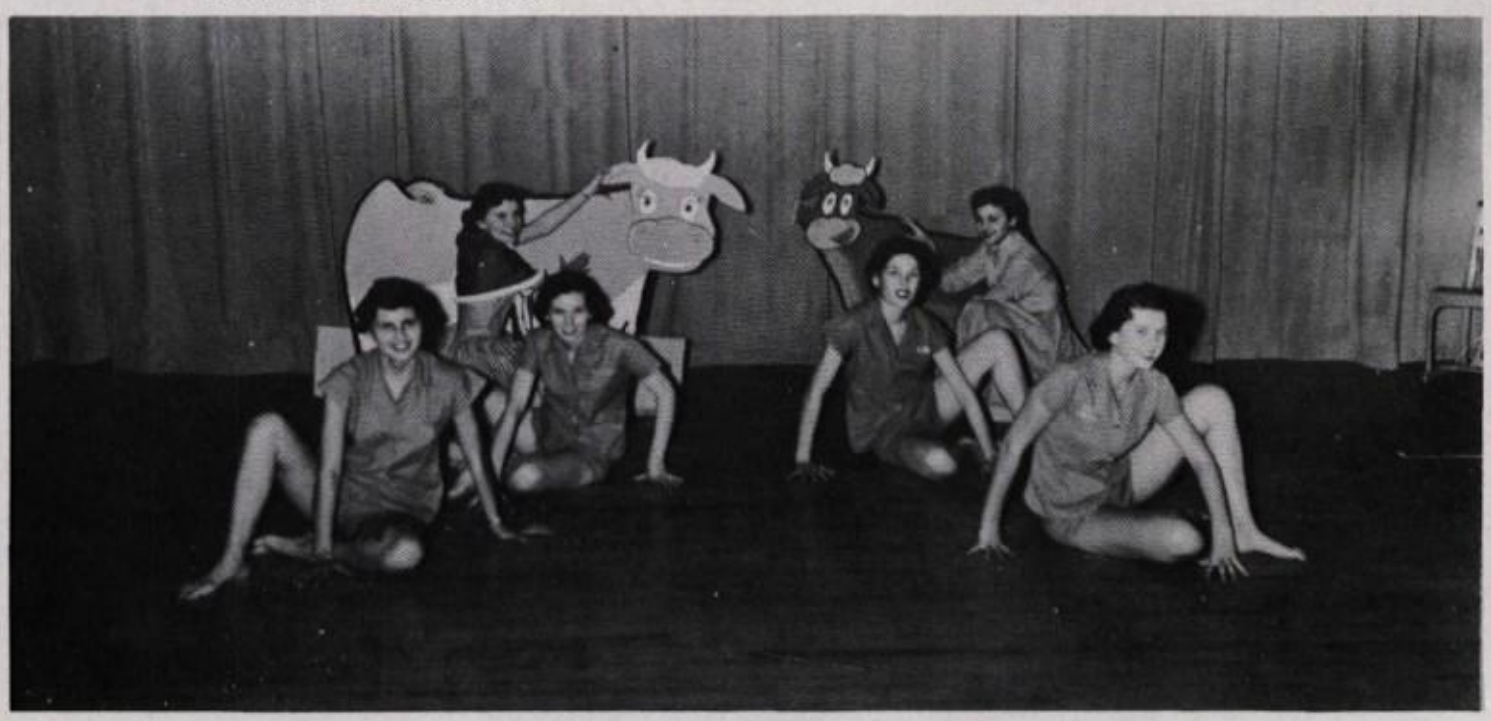
Girls' Sports

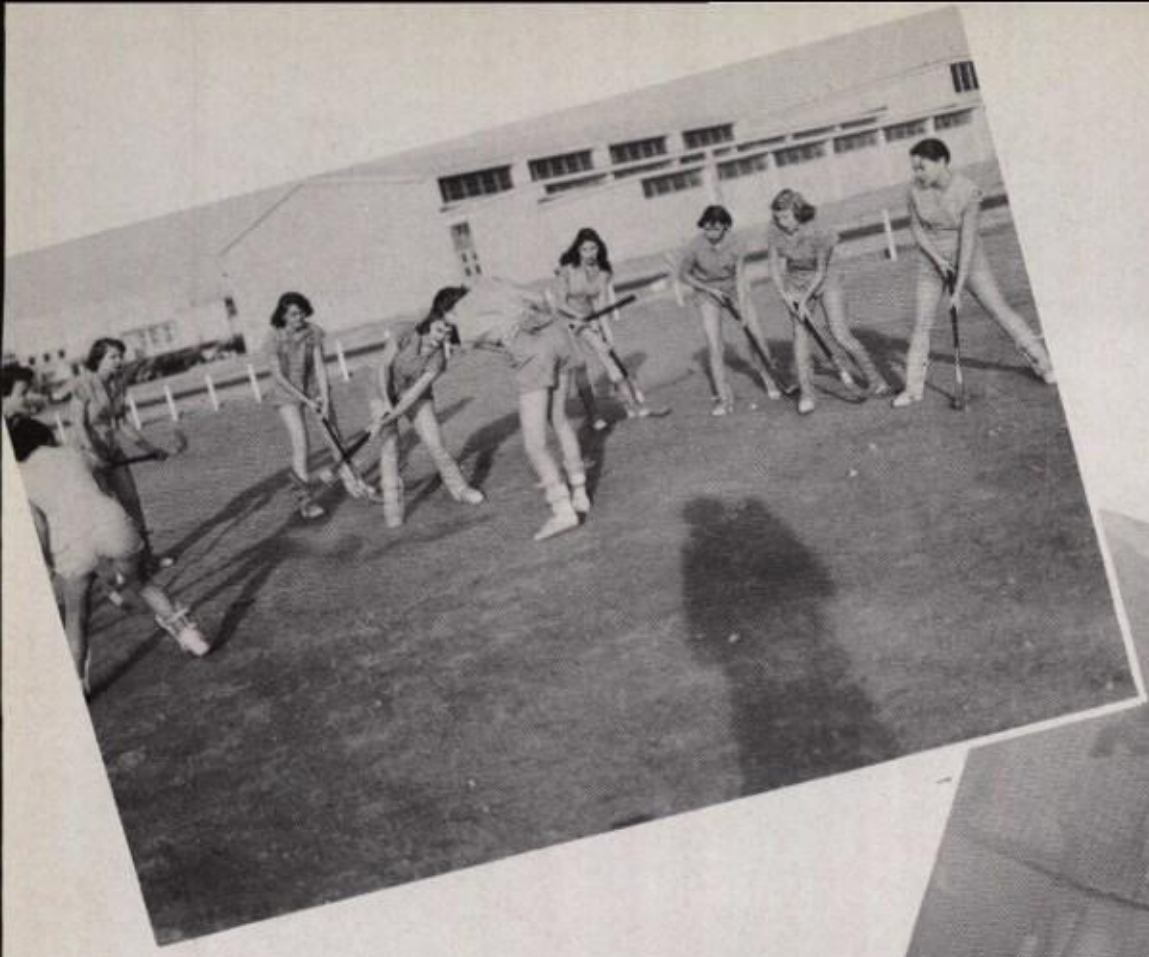
The school year of '55 offered a large variety of sports. Some of which were swimming, archery, badminton and modern dance.

These subjects were taught by Miss Ruth Frey, Mrs. Norma J. Smith and Miss Gayle Van Meter.



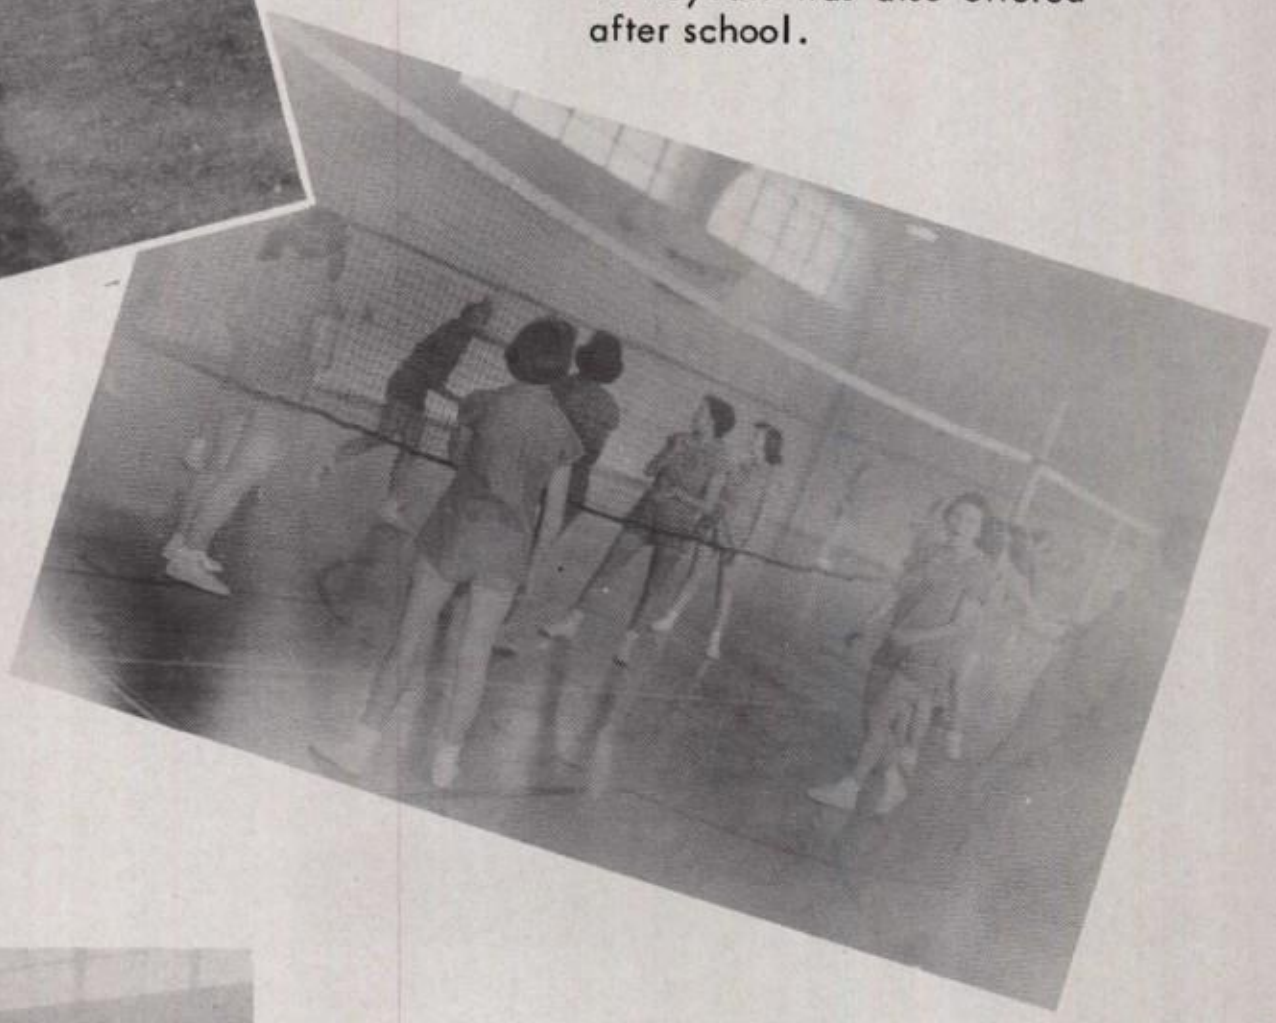
Shown below are some of the students in Mrs. Norma Smith's modern Dance class.



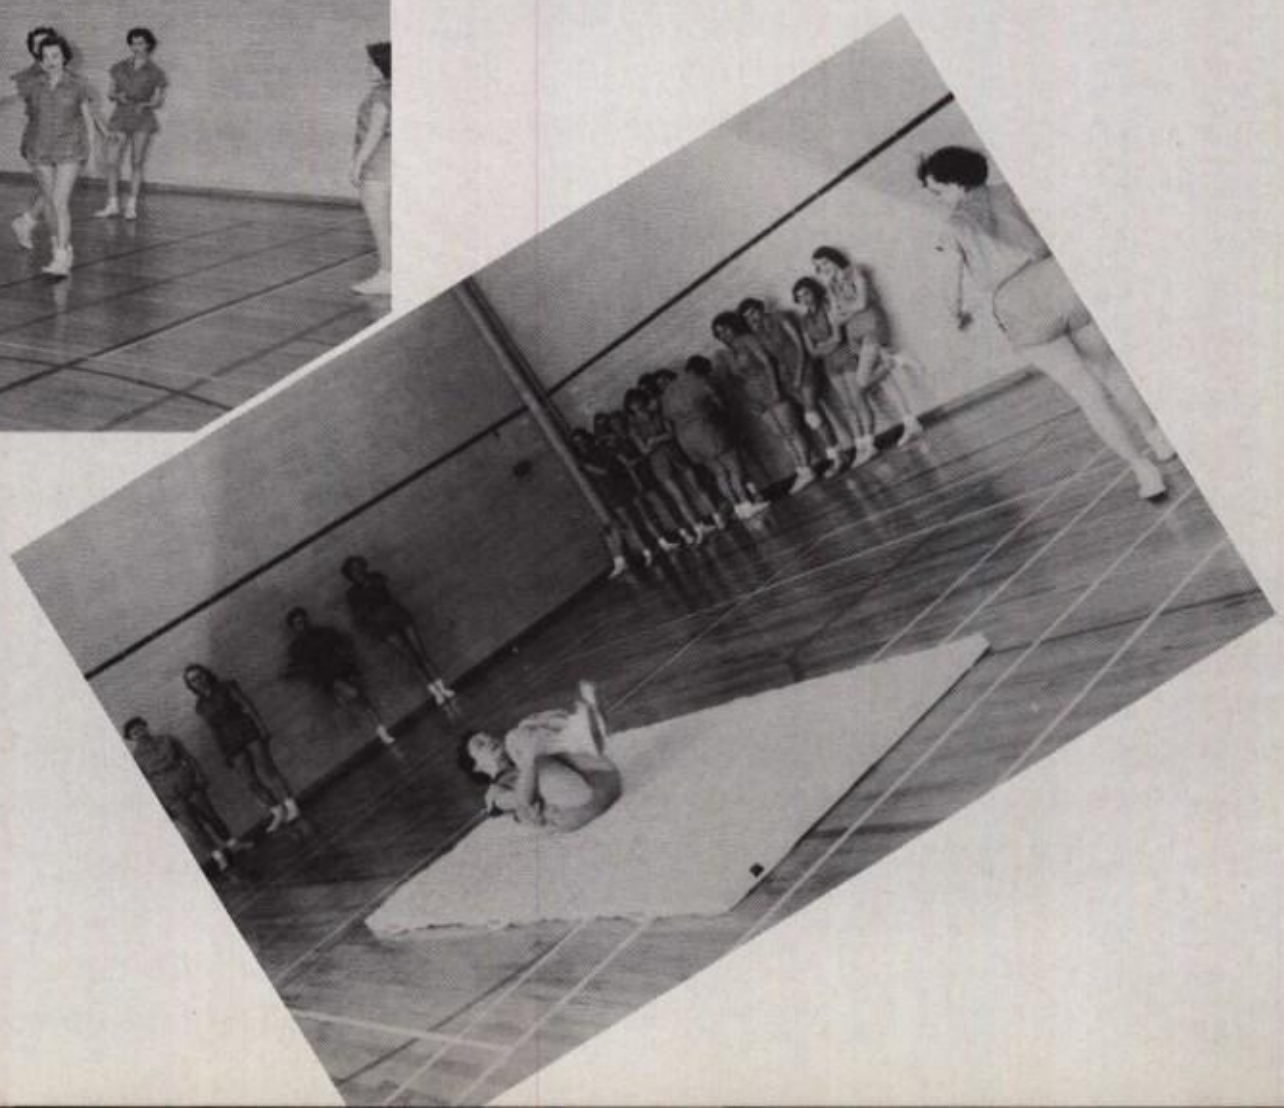


Hockey and volleyball were sports taught in the gym classes.

Volleyball was also offered after school.



Square dance was offered to the girls and was received with much enthusiasm.



Tumbling, taught by Miss Gayle Van Meter, was also a popular sport.

Tennis was a popular sport this year with the construction of the fine new courts built during the summer of '54.

Shown here are some of the girls in Miss Ruth Frey's second hour class.

Here, several girls are participating in a game of basketball.

Seen taking a high jump is one of the many students in Miss Gayle Van Meter's apparatus and tumbling class.

Many girls attended the after school sessions of golf, bowling, horse-back riding, and baseball.
